

# CaseStack's **FULL OUTSOURCING SOLUTIONS**

Successful logistics solutions level the playing field between you and your larger competitors. With CaseStack's customized full outsourcing solutions, customers experience Fortune 500 global supply chain services without the investment or infrastructure costs.

The key is CaseStack's combination of real-time tracking technology, an extensive North American warehousing network and strategic retailer relationships. Our full list of retailer partners extends beyond that of other logistics providers, allowing us to tailor a full outsourcing solution for your entire supply chain. Our retailers include:

- Walmart
- Target
- Costco
- C&S
- Food Lion
- H-E-B
- Kroger
- Publix
- Sam's Club
- Safeway
- Supervalu/Albertson's

Capitalize on our expertise in specialized warehousing services, including:

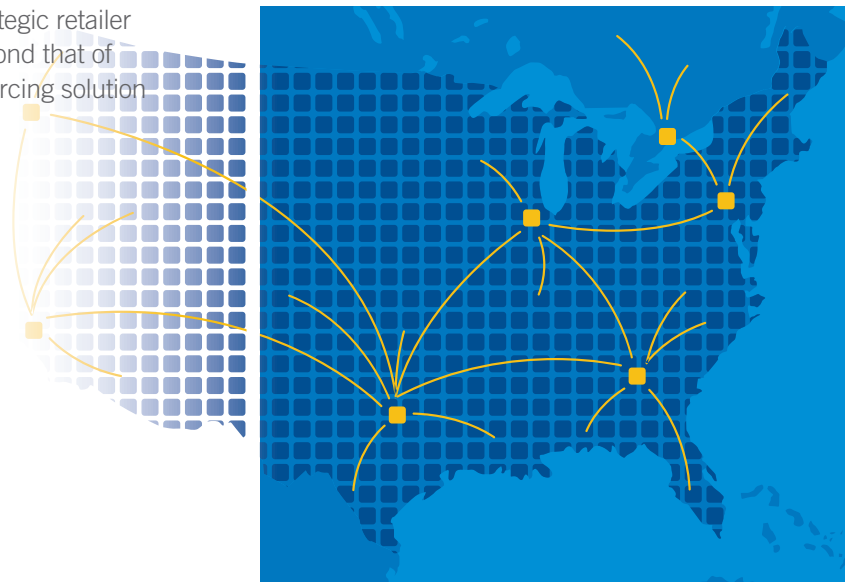

- Cross-docking
- Fulfillment
- Reverse logistics
- Pick and pack
- Value added

Beginning with a detailed analysis of business objectives and logistics requirements, CaseStack's experts tailor a logistics plan unique to each customer. We identify the tools needed to keep customers competitive and efficient all while maintaining a better bottom line. Our customers realize:

- 98% on-time performance
- 20-60% transportation savings
- Transit times cut nearly in half
- Reduced inventory
- 67% carbon emissions reduction
